

## **What is the PSG & PSG Membership**

### **What is the PSG?**

Did you know that Alcuin has a formal volunteer society, informally known as the Parent Support Group (PSG), formally known as: 'St Alcuin College for the Liberal Arts Community Volunteer Society'?

Our PSG is what you may be familiar with in the public school system as a PAC. When you enrolled your child at Alcuin College, you chose a parent or guardian to be a member of the PSG. If you have more than one child at Alcuin College, you may have chosen two parents or guardians to be members of the PSG.

Our PSG held its Annual General Meeting (AGM) on 15th May, 2024 and members of the PSG voted the following parent volunteers onto the PSG Board of Directors for the 2024-25 academic year:

President: Tracy H.

Vice President: Karen B.

Treasurer: Kristen G.

Secretary: Shubha K.

Directors at Large: Audrey B., Dani F., Jenny B., Katie S., Sohie M.

### **PSG Membership**

Every family with a student at Alcuin College is invited to enroll onto the PSG. One parent or guardian was chosen to be a voting member at the time that the student was enrolled. If you have more than one student at Alcuin College, you may have elected to have two parents or guardians as voting members of the PSG. Each parent that is a member of the PSG may only have one vote at the AGM, regardless of the number of children enrolled at Alcuin College. Membership ceases when Alcuin College receives notice of a student's withdrawal, or a student is not re-enrolled.

All parents, regardless of whether they are a voting member of the PSG or not, are welcome to attend PSG General Meetings. Note, however, that proxy votes will not be accepted. A full list of PSG voting members will be available at the AGM when signing in.
